Oklahoma County LEPC Mission Statement

To enhance the protection of the community and environment from hazardous material incidents through planning, preparation and communication between citizens, business and government.

Task 4

Maintain a designated 24-hour spill reporting number in the county and a point of contact name and address.

Result

The Oklahoma County LEPC continues to maintain the 24-hour spill reporting number and point of contact name and address through the Oklahoma County Sheriff's Department. The Oklahoma County LEPC website, www.okcountylepc.org routes all 24-hour spill notifications to the e-mail of the Chairman, Vice-Chairman and Secretary. In addition, the Oklahoma City Fire Department makes a notification to the OK County Chairman for all releases within Oklahoma City.

Task 5

Participate in a HAZMAT exercise annually.

Result

Exercises that LEPC members have observed, participated in or acted as an advisor include:

Tulsa FD, Midwest City FD, Oklahoma City FD, Norman FD, Lawton FD, Claremore FD, Oklahoma Highway Patrol, Oklahoma Highway Patrol Bomb Squad, OKC Bomb Squad, OKC Water Department, Moore FD, OU Medical Center & WMD CST 63rd National Guard Hazardous Materials Team

Task 6

Review and update LEPC Emergency Response Plan annually.

Result

The Oklahoma County LEPC Emergency Plan has been reviewed by an OK County LEPC subcommittee. No updates were necessary. The OK County Emergency Director keeps this plan.

Task 7

Conduct regular LEPC meetings and provide public notification of meetings.

Result

The Oklahoma County LEPC continues to have monthly meetings on the second Wednesday of each month for a minimum of 10 meetings per year. Agendas and minutes for the meetings are posted on the LEPC website www.okcountylepc.org.

Oklahoma County LEPC Mission Statement

To enhance the protection of the community and environment from hazardous material incidents through planning, preparation and communication between citizens, business and government.

Task 8

Maintain a system to receive Tier II reports and respond to public requests for information.

Result

The Oklahoma County LEPC continues to receive Tier II reports and file them so that they are available to the public. The Oklahoma County LEPC has not received any requests for information within the last several years. The documented procedure for maintaining the current system and responding to requests are currently in draft form and will incorporate homeland security issues in compliance with the DEQ directives.

Task 9

Sponsor or co-sponsor some type of outreach activity; such as Risk Management Plan rollouts, CAMEO classes, EPA workshop, HAZMAT training, WebPages, etc.

Result

The Oklahoma County LEPC has developed a webpage and adds outreach information as appropriate. The Oklahoma County LEPC assists the City of Oklahoma City with the semi-annual Household Hazardous Waste Day. LEPC members volunteer their time and the LEPC adds the information concerning the Household Hazardous Waste Day on the Oklahoma County LEPC website.

The Chair, Clint Greenwood, has participated in numerous training sessions throughout the state to assisted area Fire Departments in the training areas of Hazardous Materials Technician, Hazardous Materials Operations Level, Hazardous Materials Incident Command, Industrial Fire Brigade, HAZWOPER and Terrorism Response.

The Oklahoma County LEPC assisted the DEQ with the communication of the recent EPA class on using Tier II submit. The Oklahoma County LEPC sponsored a break at the recent NASTPPO conference held in Oklahoma City.

In addition, the Oklahoma County LEPC maintains a budget account with Oklahoma County for receipts of grant monies.
